

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State/Territory: MICHIGAN

Method for Determining Cost Effectiveness of Caring for
Certain Disabled Children At Home

Statewide average DRG outlier per diem payment is determined for the child's diagnosis. This becomes the cap for Title XIX covered home care. Care plan is developed and all medically necessary services are provided. At the end of the fiscal 6year, expenditures for services are compared to DRG allowable cap. If expenditures exceed cap, amount is "cost settled" against Title V, using state dollars. No Title XIX claims will be made exceeding cap.
